INVENTORY

OVERVIEW

Designed for education, but suitable for any business, InVentry's fully-equipped integrated visitor entry system allows you to accurately monitor who is in your building at any time. InVentry speeds up the sign-in process keeps identity information secure and leaves your staff feeling confident that the sign-in app ensures students or employees are safe and accounted for.

THE NUMBER ONE FULLY INTEGRATED SAFEGUARDING SOLUTION

InVentry is a pioneer of sign in and visitor management systems and is trusted by over 10,000 schools and businesses across the UK. InVentry speeds up the sign-in process keeps identity information secure and leaves your staff feeling confident that the sign-in app ensures students or employees are safe and accounted for.

SIMPLE AND SECURE TRACKING FOR ASSET MANAGEMENT

InVentry's Audit & Compliance software delivers a cost-effective solution that enables you to track your assets in your organisation. InVentry's audit and compliance solutions provide you with a clear audit trail of usage to enable you to make informed decisions on your software and hardware investments.

INVENTORY ANYWHERE EVACUATION

In the event of a drill or fire evacuation, the InVentry Anywhere app allows you to access a real-time copy of everyone who is onsite from any mobile device.

INVENTORY CUSTOM SKINS

With InVentry, you have the ability to customise your own system to coincide with the look and feel of your reception area. With your own personalised system skin, you can make InVentry fit perfectly within your establishment.

WHY CHOOSE INVENTORY?

Trusted by over 10,000 schools and businesses across the UK. Quick and accurate visitor, staff and employee sign-in information. Audit and Compliance is a simple and cost-effective way to manage your organisation's infrastructure. You can install InVentry's system in your school and pay over 3 years in 3 equal payments.
